The control panel features a central digital display showing 'STOP' in red. To the left of the display are two blue buttons with upward and downward triangles. To the right are three buttons: a green 'RUN' button, a red 'STOP' button, and a blue 'M' button. Below the display are three blue buttons labeled 'M', 'R', and 'F'. The display is flanked by 'AUTO' and 'REV' labels on the left and 'FWD' and 'REV' labels on the right. A green vertical bar is visible on the right side of the panel.
